

Member Request – Chapter Photographs

David Nordquist, senior judge and a member of the Northern Michigan chapter, is creating a montage of what NAVHDA is all about. To create the montage, he is in need of photographs from chapter members and chapter events, e.g., training, testing, handler clinics, etc. It is beneficial if the photos include your chapter's signage or banners that provide chapter identification. Group photos taken during a meal or banquet are also acceptable. Dogs in action are also needed.

Dave is requesting that the photos be sent to him on a CD or DVD, not by e-mail. Please label the CD or DVD for content and include the name of the photographer.

This is a great opportunity to showcase your chapter and dogs. Please help Dave in anyway that you can.
